👤 PROFILE

I am a person with a passion for coding and design, who likes challenges, so I ended up studying the Web Development part, both Front-end and Back-end.

I can characterize myself as sociable, always open to new opportunities, but who does not give up a task until it is completed.

📁 EMPLOYMENT HISTORY

Front-end Developer at Square Ventures, Cluj-Napoca

November 2021 — Present

Head of UI.

Worked with design requirements to develop web pages that adhered to company, industry and usability standards. Responsible to transform pixel perfect figma files into code.

Created web application design system with Sass and custom animations with CSS/ GSAP.
